Better Pack® 555e Series

ELECTRIC WATER-ACTIVATED TAPE DISPENSERS

Highly Productive, Durable and Certified Safe Worldwide

The Better Pack 555e Series is our most popular electronic dispenser. The Series comes in two configurations: with and without the ability to automate production and the Automatic Tape Advance feature. It is engineered to meet electrical requirements worldwide. This machine is created for fast-paced packaging environments where increased productivity, efficiency and carton sealing output is needed.

Productivity & Automation

- Tape output of 45”per second
- User-friendly, color-coded keypad with 14 preset buttons
- 1,000 foot roll tape capacity means fewer changeovers; less downtime
- Optional accessories to enhance productivity and efficiency

Performance, Construction & Warranty

- UL- Listed electronic water-activated tape dispenser
- CE and CSA certified and RoHS compliant*
- Heavy-duty, self-oiling blade for perfect, consistent cutting
- Backed by the best industry warranty – 2 years parts and material; 6 months labor

Better Pack® 555eSA

Enhanced Feature: **Auto Tape Advance**

- **Remove tape from dispenser and the next tape length auto advances**
- **Can be programmed to auto-dispense 3 tape lengths for H pattern sealing**
- **Compatible with Automatic Measuring Device (AMD)**

Productivity Enhancing Accessories

Automatic Measuring Device (AMD)
(compatible with the "A" series models)

- Automatically dispenses the perfect length of tape
- Reduces material waste and improves worker efficiency

Tape Aerial

- Simplifies dispensing of long tape lengths
- Holds and supports the tape in upright position

Foot Pedal

- Hands-free dispensing
- Single & Dual Pedal models available for up to 2 packers sharing a dispenser

Code Taper®

- Applies on-demand custom printing directly on the tape as it's dispensed
- Improves security with printed codes, logos and dates
